Job # \_\_\_\_\_

Assigned to: \_\_\_\_\_

Date: \_\_\_\_\_

Dear Home Repair Applicant,

Thank you for contacting Habitat for Humanity 7 Rivers Maine (HFH7RM) to request home repair. General information about the program, an application, and a Release and Waiver form are included with this letter.

### Programming information

- The application must be filled in by the homeowner.
- The homeowner must live in the home. This is not a program for landlords.
- Homeowners must meet the income guidelines (see page 3), for the property's county, established by United States Department of Housing and Urban Development (HUD).
- Home repair projects are completed by volunteers, community partners, and/or licensed 3<sup>rd</sup> party tradesmen with a budget of up to \$2,000 in materials and other jobsite related expenses.
- HFH7RM typically does not do any roofing work. HFH7RM does limited work on mobile homes. Roofing work and other complicated/dangerous requests will be often referred to KVCAP and/or Maine State Housing. Homeowners with complicated jobs are encouraged to contact KVCAP directly at 1-800-542-8227 and Maine State Housing at 1-800-452-4668.

### The Application Process

- The homeowner must completely fill out the application and waiver forms and return them to: ***Habitat for Humanity/7 Rivers Maine, 11 Elsinore Avenue, Bath, Maine 04530.***
- The completed application will be reviewed by the staff of HFH7RM to determine whether the homeowner and his/her property initially match program guidelines.
- If the homeowner initially matches program guidelines, then an initial on-site visit will be scheduled to assess the work and determine if it is within the scope of our program.
- If the site is within the scope/scale of our program, the repair work will begin ASAP.
- Once work is complete HFH7RM will not return for any additional work for at least 12 months.

We look forward to receiving your completed application, hope that you and your property qualify for our program, and that we will be able to assist you.

Sincerely,

Julie Moulton  
Interim CHR Program Coordinator
